

April 8-10, 2019, professionals of SGS Company conducted regular supervisory audits of PJSC "IOT" improvement system for compliance with ISO 9001:2015 Management of quality, ISO 14001:2015 Environmental management.

External auditors noted the maturity and the good organization of our Company improvement system. As positive observations experts of the company SGS - Ukraine emphasized a good methodical approach to risk assessment, high competence of employees, social programs of the Institute and a high level of customer satisfaction.

The Institute also received some recommendations for implementing best practices in the business processes which we will necessarily consider for further improvement of our services.

As a result of the audit, PJSC "IOT" will receive confirmation of developed Company improvement system compliance with the requirements of ISO 9001:2015 and ISO 14001:2015.
